TEN-YEARS AGO

From the Journal and Republican
TUESDAY, MARCH 24, 1936

To Albany for filing.

SCHOOL NEWS

For president, John Clover; trustee, Markham; collector, Lloyd E. Jones.

The law which became effective last week to take away the pretense of making a separate establishment of the "little business men" in commerce, has been judicially pronounced as invalid.

The great depression in the land of the "little business men" has necessitated a lowering of farmers' returns and a reduction in the prices of their products.

TAXES AND BUYING POWER

A person does not have to be the owner of a great deal of property to be able to purchase real estate on the open market.
