Two Killed on Western Front; Another Missing in Luxembourg

Two German planes have been shot down in the victory of the Western Front, and a third plane is missing. The firstGerman plane was shot down by the Allied forces in the vicinity of the French border, and the second plane was shot down by the British forces in the vicinity of the Belgian border. The third plane, which is missing, was last reported to be flying over the English Channel. The Allied forces have been reporting frequent sightings of German planes in the vicinity of the French and Belgian borders, and the German government has been denying the existence of any planes flying over these areas.

5 Area Men Wounded

Five area men were wounded in a bombing raid in the country, and are being treated for their injuries. The five men were wounded in a raid by a group of German planes, which were flying over the country in the vicinity of the French and Belgian borders. The five men, who are all residents of the area, were wounded by the German planes, and are being treated for their injuries.
